

WISH LIST

At times individuals or families desire to honor the memory of a loved one with a gift to their church. Other times, people want to purchase or contribute towards an item the church wishes to have simply to give glory to God. The following wish list is provided for those purposes. It lists some things the church wishes to have. If there is an item you or your family would like to support, please simply designate your gift accordingly.

WISH LIST ITEMS NEEDED

Organ Fund	\$50,000	A music fund exists to prepare for the expense of replacing our current organ when it breaks down. Money given is invested so we can meet the high cost of a new organ when it is needed. Please indicate gifts given accordingly.
